

Guideline for Abstract's Submission

The Scientific Programme Committee of the 35th GW-ICC welcomes the submission of abstracts for oral or poster presentation.

Please read carefully the following instructions to submit your abstract.

Instructions

Presenters are requested to submit the abstract via the official website. Presenters are allowed to submit more than one abstract. Abstract submission must be done via the online submission system. All free paper presenters are required to pre-register to the Conference to present their works.

Categories of Abstracts

Oral and poster abstracts reporting original research findings are invited.

Preparation & Submission

1. Content: All papers should be in the form of abstracts and the content should be true, accurate, scientific, up-to-date, contains no confidential or personal information nor controversy over authorship. The manuscripts could be in English or Chinese and English abstracts shall contain no Chinese characters.
2. All abstracts should have a title, authors' name, organization and text with no tables, figures or graphs. The abstract length should be between 800 and 1,200 Chinese characters for Chinese abstract and between 200 to 500 words for English abstract. The abstract should be informative as possible, and structured by using the following headings: a) Objective b) Methods c) Results (data should be addressed) d) Conclusion.
3. All abstracts must be submitted with accurate personal information to ensure that notification of acceptance/rejection will be sent to the corresponding author in a timely manner. Submissions must be made under author's full name.
4. Please ensure the accuracy of author's name and organization before you click 'Submit'. Authors are fully responsible for their own submission. Please keep a copy of your submission.
5. Paper modification or withdrawal for any reason should be done via e-mail within 7 days upon receiving the notification. Notification will be sent via email.
6. Abstracts that have been accepted cannot be modified or withdrawn. Please log on to the event website www.gw-icc.com to submit your abstract.

Disclosure of Interest

Employees of industry may not evaluate or comment about the products of a competitor. A commercial name should not be part of a manuscript title. Please indicate information about grants at the bottom of the page, if applicable.

Method of Submission

Submission via online submission only (Submission by email, fax or post will not be accepted).

Review

All complete submission will be reviewed by the Scientific Committee. The evaluation of the abstracts will be based on the scientific value, novelty of information and the quality of data presentation.

Notification of Acceptance

The notification of acceptance or rejection will be sent to the abstract submitter's email address by August 1st, 2023. Acceptance, however, is conditional on registration; if registration is not completed by August 1st, 2023, the abstract will be considered withdrawn and deleted from the programme. Submission of an abstract is a formal commitment to present it during the

The GW-ICC2023 abstract review result had been notified to each of the abstract submitter by email.

You could also login your account and check the abstract review result.
